At Sweenor's Chocolates we use only the finest chocolate available for all our products, including those for fund-raising. We have seen some of the other products being offered for sale by fund-raising companies, and have been very disappointed; some of these products are not even chocolate!

When you purchase a product from Sweenor's, rest assured that you are always getting the finest quality available at a fair price. We are a family owned and operated business with four generations of experience, no one in Rhode Island knows candy better!
